1 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) The board for
2 depositories shall manage and operate the insurance fund. All expenses
3 incident to the administration of the fund shall be paid out of the money
4 accumulated in it subject to the direction of the board for depositories.

5 (b) Effective January 1 and July 1 in each year, the board shall
6 before those dates redetermine the amount of the reserve to be
7 maintained by the insurance fund. The establishment or any change in
8 the reserve for losses shall be determined by the board based on a study
9 to be made or updated by actuaries, economists, or other consultants
10 based on the history of losses, earnings on the funds, conditions of the
11 depositories, economic conditions affecting particular depositories or
12 depositories in general, and any other factors that the board considers
13 relevant in making its determination. The reserve determined by the
14 board must be sufficient to ensure the safekeeping and prompt payment
15 of public funds to the extent they are not covered by insurance of any
16 federal deposit insurance agency.

17 (c) At the end of each biennial period during which depositories
18 have had public funds on deposit under this chapter and paid the
19 assessments levied by the board, the board shall compute its receipts
20 from assessments and all other sources and its expenses and losses and
21 determine the profit derived from the operation of the fund for the
22 period. Until the amount of the reserve for losses has been
23 accumulated, all assessments levied for a biennial period shall be
24 retained by the fund. The amount of the assessments, if any, levied by
25 the board shall, to the extent the fund exceeds the reserve for losses at
26 the end of a biennial period commencing July 1 of each ~~odd~~
27 **odd-numbered** year, be distributed to the depositories that had public
28 funds on deposit during the biennial period in which the assessments
29 were paid. The distribution shall be made to the respective depositories
30 in the proportion that the total assessments paid by each depository
31 during that period bears to the total assessments then paid by all
32 depositories. A distribution to which any closed depository would
33 otherwise be entitled shall be set off against any claim that the
34 insurance fund may have against the closed depository.

35 (d) The board may invest, reinvest, and exchange investments of the
36 insurance fund in excess of the cash working balance in any of the
37 following:

3 consistent with Indiana law and federal program requirements.

4 (b) The board, with the approval of the budget agency and the

6 in section 9(c) of this chapter. The corporation shall make
7 allocations on the basis of the need of the qualified entity.

8 (c) The corporation shall keep complete sets of records showing
9 all transactions by the fund in a manner that enables the
10 corporation to prepare at the end of each fiscal year a complete
11 report for the general assembly. The information in the report
12 must be sufficient to permit a complete review and understanding
13 of the operation and financial condition of the fund. The report
14 must be submitted in electronic format under IC 5-14-6.

15 Sec. 9. (a) If federal money will not be used in conjunction with
16 fund money, a qualified entity that wants a grant from the fund
17 must submit an application for the grant to the corporation. The

19 application if the activities for which the grant money is to be used
20 are activities:

21 (1) that the qualified entity has statutory authority to
22 perform; and

23 (2) for which this chapter permits fund money to be used.

24 (b) When fund money is to be used to match federal money, a
25 qualified entity that wants a grant must submit to the corporation
26 an application for a grant under the federal program. The
27 corporation shall review the application and shall submit the
28 application to the federal agency if the corporation finds that the

3 that will be charged.

4 Sec. 10. (a) A qualified entity may apply to the corporation for
5 a loan from the fund to be used for economic development
6 programs.

7 (b) An amount loaned to a qualified entity is an obligation of the
8 qualified entity and shall be repaid to the corporation within a time
9 to be fixed by the corporation, not to exceed three (3) years.

11 to be made under this section.

19 corporation, prosecuted by the attorney general, in the circuit
20 or superior court of the county in which the qualified entity is
21 located.

22 Chapter 9. Industrial Development Program and Fund

27 legislative body of a city, town, or county, an economic
28 development commission, or a board administering the affairs of
29 a special taxing district.

30 Sec. 3. As used in this chapter, "industrial development
31 program" means a program designed to aid the growth of industry
32 in Indiana and includes the:

33 (1) construction of airports, airport facilities, and tourist
34 attractions;

35 (2) construction, extension, or completion of sewerlines,
36 waterlines, streets, sidewalks, bridges, roads, highways, public
37 ways, and information and high technology infrastructure;

38 (3) leasing or purchase of property, both real and personal;
39 and

40 (4) preparation of surveys, plans, and specifications for the
41 construction of publicly owned and operated facilities,
42 utilities, and services.

C

1 Sec. 4. As used in this chapter, "information and high
2 technology infrastructure" includes, but is not limited to, fiber
3 optic cable and other infrastructure that supports high technology
4 growth and the purchase and installation of fiber optic cable and
5 other infrastructure.

6 Sec. 5. As used in this chapter, "minority enterprise small
7 business investment company" means an investment company
8 licensed under 15 U.S.C. 681(D).

9 Sec. 6. As used in this chapter, "qualified entity" means a city,
10 a town, a county, an economic development commission, or a
11 special taxing district.

12 Sec. 7. As used in this chapter, "small business investment
13 company" means an investment company licensed under 15 U.S.C.
14 691 et seq. or a successor statute.

15 Sec. 8. The general assembly finds that:

16 (1) areas in Indiana have insufficient employment
17 opportunities and insufficient diversification of industry;

18 (2) these conditions are harmful to the health, prosperity,
19 economic stability, and general welfare of these areas and, if
20 not remedied, will be detrimental to the development of these
21 areas; and

22 (3) the use of money under this chapter and the fostering of
23 industrial development programs serves a public purpose.

24 Sec. 9. (a) The industrial development fund is established. Loans
25 may be made to qualified entities, small business investment
26 companies, and minority enterprise small business investment
27 companies in accordance with this chapter and the policies and
28 guidelines adopted under it.

29 (b) The administrative control of the fund and the responsibility
30 for the administration of this chapter are vested jointly in the state
31 board of finance and the corporation. The corporation, subject to
32 the approval of the state board of finance, may adopt policies and
33 guidelines for the proper administration of the fund and this
34 chapter. The corporation may employ personnel necessary to
35 efficiently administer this chapter.

36 Sec. 10. (a) Two million dollars (\$2,000,000) in the industrial
37 development fund does not revert to the state general fund but
38 constitutes a revolving fund to be used exclusively for the purpose
39 of this chapter. The corporation, subject to the approval of the
40 state board of finance, may order the auditor of state to make an
41 approved loan from the revolving fund to a qualified entity
42 (including the purchase of bonds of the qualified entity), a small

C
o

1 business investment company, or a minority enterprise small
2 business investment company.

3 (b) A qualified entity may borrow funds from the corporation
4 under this chapter and shall use the loan proceeds to institute and
5 administer an approved industrial development program. The
6 combined amount of outstanding loans to any one (1) program may
7 not exceed one million dollars (\$1,000,000). However, the one
8 million dollar (\$1,000,000) restriction in this subsection does not
9 apply to an approved industrial development program in an
10 economic development district established by a qualified entity
11 under IC 6-1.1-39. A loan made under this chapter to an economic
12 development commission is not a loan to or an obligation of the
13 qualified entity that formed the commission, if the repayment of
14 the loan is limited to a specified revenue source under section 15 of
15 this chapter.

16 (c) A small business investment company or a minority
17 enterprise small business investment company may use the loan
18 proceeds for any lawful purpose.

19 (d) Notwithstanding any other law (including IC 5-1-11), the
20 loan to a qualified entity under this section may be directly
21 negotiated with the corporation without public sale of bonds or
22 other evidences of indebtedness of the qualified entity.

23 Sec. 11. A qualified entity may institute and administer an
24 industrial development program that is approved by ordinance or
25 resolution adopted by the governing body of the qualified entity
26 and approved by the corporation.

27 Sec. 12. (a) The state board of finance and the corporation shall
28 authorize the making of a loan to a qualified entity under this
29 chapter only when all the following conditions exist:

30 (1) An application for the loan has been submitted by the
31 qualified entity, in a verified petition, to the state board of
32 finance and the corporation in the manner and form as the
33 state board of finance and the corporation direct. The
34 application must set forth all the following:

35 (A) The need for the program and the need for funds for
36 instituting and administering the program.

37 (B) An engineering estimate of the cost of the proposed
38 program acceptable to the state board of finance and the
39 corporation.

40 (C) The amount of money needed.

41 (D) Other information that is requested by the state board
42 of finance and the corporation.

C
O
P
Y

(2) The proposed program has been approved by the state board of finance and the corporation, which they may do only if they have determined that the program is based on sound engineering principles and is in the interest of industrial development.

(3) The loan does not exceed one hundred percent (100%) of the cost to the qualified entity of an approved program, with the cost of the program to be based on an estimate made by a competent engineering authority and approved by the corporation.

(4) The qualified entity has agreed to furnish assurance, satisfactory to the state board of finance and the corporation, that the qualified entity will operate and maintain the program, after completion, in a satisfactory manner.

(b) The state board of finance and the corporation shall authorize a loan to a small business investment company or minority enterprise small business investment company under this chapter only if:

(1) the small business investment company or minority enterprise small business investment company has loaned to or invested in a business located in an enterprise zone for a purpose directly related to the enterprise zone an amount that is at least twice the amount of the requested loan; and

(2) the small business investment company or minority enterprise small business investment company has submitted an application, before the beginning of the phase out period of the enterprise zone, to the state board of finance and the corporation that shows the amount of the loan requested and other information that is requested by the state board of finance and the corporation.

Sec. 13. (a) The qualified entity may provide labor, equipment, and materials from any source at its disposal for such a program, and participation in accomplishment of the project or projects may be:

(1) evaluated by the state board of finance and the corporation; and

(2) computed as a part or all of the share of cost that the qualified entity is required to pay toward the total cost of the project or projects for which the loan is obtained.

(b) When participation as described in this section is authorized, the participation must be under direction of the governing body, and when cash amounts are included in the qualified entity's share

C
o
p
y

of total cost, the cost amounts shall be provided in the usual and accepted manner for the financing of the affairs of the qualified entity. Costs of engineering and legal services to the borrower may be regarded as a part of the total cost of the project.

Sec. 14. (a) The state board of finance and the corporation shall determine and ascribe to an applicant for a loan a priority rating. The rating must be based primarily on the need of the qualified entity for a proposed program or on the need of the small business investment company or minority enterprise small business investment company for the loan as the need is related to the needs of other applicants for loans.

(b) The qualified entities, small business investment companies, or minority enterprise small business investment companies with the highest priority rating shall be given first consideration when loans are made under this chapter. The loans shall be made in descending order as shown by the priority ratings.

Sec. 15. (a) A loan made under this chapter is subject to the following restrictions:

(1) The repayment period may not exceed fifteen (15) years.

(2) The interest rate is to be set by the state board of finance at the time the loan is approved.

(3) Interest reverts to the industrial development fund established by this chapter.

(4) The loan must be repaid in installments, including interest on the unpaid balance, according to a repayment schedule approved by the state board of finance for that loan. However, on the approval of the state board of finance, the repayment of principal may be deferred for a period not to exceed two (2) years.

(5) Subject to subsection (b), the repayment of the loan may be limited to a specified revenue source of the qualified entity and, if limited, is not a general obligation of the unit and is payable solely from the specified revenue source.

(6) If the qualified entity levies a tax to repay the loan, the first installment of the loan is due from funds received from the first levy.

(7) If prepayment of the loan is made, a penalty may not be charged.

(b) A qualified entity may borrow money under this chapter only under an ordinance adopted under IC 36-1-3-6 as follows:

(1) If the qualified entity is a city, town, or county, by the qualified entity.

C
o
p
y

(2) If the qualified entity is an economic development commission, by the city, town, or county that established the economic development commission.

(3) If the qualified entity is a special taxing district established by the city, town, or county, by the city, town, or county that established the special taxing district.

(4) If the qualified entity is a special taxing district that was not established by a city, town, or county, by the county in which the special taxing district is located.

If repayment of the loan is to be from a specified revenue source under subsection (a)(5), the ordinance must state the revenue source and must state that the qualified entity is not obligated to pay the principal or interest on the loan except from the specified revenue source. An ordinance may not provide for repayment from a specified revenue source if the repayment would impair the qualified entity's contract with an owner of outstanding obligations payable from the specified revenue source.

(c) Notwithstanding any other law, the qualified entity may enter into loans under this chapter without obtaining the approval of any other body.

Sec. 16. A qualified entity receiving a loan under this chapter may levy an annual tax on personal and real property located within the qualified entity's geographical limits for industrial development purposes, in addition to any other tax authorized by statute to be levied for such purposes, at a rate that will produce sufficient revenue to pay the annual installment and interest on a loan made under this chapter. The tax may be in addition to the maximum annual rates prescribed by IC 6-1.1-18, IC 6-1.1-18.5, IC 6-1.1-19, and other statutes.

Sec. 17. (a) If a qualified entity fails to make repayment of money lent under this chapter or is in any way indebted to the industrial development fund for any amounts incurred or accrued, the amount payable may be:

(1) withheld by the auditor of state, as set forth in the loan agreement with the qualified entity, from any money payable to the qualified entity and transferred to the fund; or

(2) recovered in an action by the state on relation of the corporation, prosecuted by the attorney general, in the circuit or superior court of the county in which the qualified entity is located.

(b) If a small business investment company or a minority enterprise small business investment company fails to make

C
O
P
Y

1 repayment of money lent under this chapter or is in any way
 2 indebted to the industrial development fund for any amounts
 3 incurred or accrued, the amount payable may be recovered in an
 4 action by the state on relation of the company, prosecuted by the
 5 attorney general, in the circuit or superior court of the county in
 6 which the small business investment company or minority
 7 enterprise small business investment company is located.

8 Sec. 18. There is appropriated annually to the corporation from
 9 the state general fund, from money not otherwise appropriated, an
 10 amount sufficient to administer this chapter, subject to the
 11 approval of the budget committee.

12 Sec. 19. (a) The corporation, with the approval of the state
 13 board of finance, may sell to a person (including the board for
 14 depositories) the notes or other debt obligations issued by a county,
 15 city, or town under this chapter or IC 6-1.1-39 for any borrowing
 16 from the industrial development fund under this chapter.

17 (b) A sale by the corporation of a note or another debt
 18 obligation of a county, city, or town as authorized by subsection (a)
 19 shall be made:

20 (1) without recourse against the corporation, the state board
 21 of finance, or the industrial development fund; and

22 (2) on the other terms and conditions that the corporation,
 23 with the approval of the state board of finance, establishes.

24 (c) A purchaser of a note or another debt obligation succeeds to
 25 all the rights, entitlements, conditions, and limitations under the
 26 note or other debt obligation. However, section 17 of this chapter
 27 does not apply to a note or another debt obligation that has been
 28 sold under subsection (a).

29 (d) After a sale of a note or another debt obligation, the
 30 corporation, the state board of finance, and the industrial
 31 development fund have no right, title, or interest in or to the note
 32 or debt obligation.

33 (e) The proceeds from a sale of a note or another debt obligation
 34 shall be deposited in the industrial development fund to be used
 35 exclusively for the purpose of this chapter.

36 Sec. 20. (a) For industrial development projects (as defined in
 37 IC 4-4-10.9-11(a)) that have a cost of the project (as defined in
 38 IC 4-4-10.9-5) greater than one hundred million dollars
 39 (\$100,000,000), the corporation may coordinate a loan to a county,
 40 city, or town under this chapter that is to be funded under
 41 IC 6-1.1-39 with a simultaneous or successive sale of the note or
 42 other debt obligation issued or to be issued by the county, city, or

C
o

(b) In addition to a registration fee paid under subsection (a)(4)(A), each zone business that receives a credit under this chapter shall assist the zone U.E.A. in an amount determined by the legislative body of the municipality in which the zone is located. If a zone business does not assist a U.E.A., the legislative body of the municipality in which the zone is located may pass an ordinance disqualifying a zone business from eligibility for all credits or incentives available to zone businesses. If a legislative body disqualifies a zone business under this subsection, the legislative body shall notify the board, the department of local government finance, and the department of state revenue in writing not more than thirty (30) days after the passage of the ordinance disqualifying the zone business. Disqualification of a zone business under this section is effective beginning with the

C
o

1 taxable year in which the ordinance disqualifying the zone business
2 is adopted.

3 Sec. 6. (a) The enterprise zone fund is established. Revenue from
4 the registration fee required under section 5 of this chapter shall
5 be deposited in the fund. The fund shall be administered by the
6 corporation.

7 (b) Upon the recommendation of the corporation, the fund may
8 be used to:

9 (1) pay salaries of employees of the board;

10 (2) pay administrative expenses of the enterprise zone
11 program; and

12 (3) provide grants to U.E.A.s for brownfield remediation in
13 enterprise zones.

14 However, money in the fund may not be expended unless it has
15 been appropriated by the general assembly and allotted by the
16 budget agency.

17 (c) The treasurer of state shall invest the money in the fund not
18 currently needed to meet the obligations of the fund in the same
19 manner as other public funds may be invested.

20 (d) Money in the fund at the end of a state fiscal year does not
21 revert to the state general fund. The corporation may, after
22 making the payments required by subsection (b)(1) and (b)(2), use
23 money remaining in the fund at the end of a state fiscal year to
24 provide grants to U.E.A.s for brownfield remediation activities.
25 The corporation shall develop appropriate applications and may
26 develop grant allocation guidelines, without complying with
27 IC 4-22-2, for awarding grants under this subsection. The grant
28 allocation guidelines must take into consideration the competitive
29 impact of brownfield redevelopment plans on existing zone
30 businesses.

31 Sec. 7. (a) Subject to subsections (c) and (d), a zone business that
32 claims any of the incentives available to zone businesses shall, by
33 letter postmarked before June 1 of each year:

34 (1) submit to the board and to the zone U.E.A., on a form
35 prescribed by the board, a verified summary concerning the
36 amount of tax credits and exemptions claimed by the business
37 in the preceding year; and

38 (2) pay the amount specified in section 5(a)(4) of this chapter
39 to the board.

40 (b) In order to determine the accuracy of the summary
41 submitted under subsection (a), the board is entitled to obtain
42 copies of a zone business's tax records directly from the

C
o
p
y

department of state revenue, the department of local government finance, or a county official, notwithstanding any other law. A summary submitted to a board or zone U.E.A. or a record obtained by the board under this section is confidential. A board member, a U.E.A. member, or an agent of a board member or U.E.A. member who knowingly or intentionally discloses information that is confidential under this section commits a Class A misdemeanor.

(c) The board may grant one (1) extension of the time allowed to comply with subsection (a) under the provisions of this subsection. To qualify for an extension, a zone business must apply to the board by letter postmarked before June 1. The application must be in the form specified by the board. The extension may not exceed forty-five (45) days under rules adopted by the board under IC 4-22-2.

(d) If a zone business that did not comply with subsection (a) before June 1 and did not file for an extension under subsection (c) before June 1 complies with subsection (a) before July 16, the amount of the tax credit and exemption incentives for the preceding year that were otherwise available to the zone business because the business was a zone business are waived, unless the zone business pays to the board a penalty of fifteen percent (15%) of the amount of the tax credit and exemption incentives for the preceding year that were otherwise available to the zone business because the business was a zone business. A zone business that pays a penalty under this subsection for a year must pay the penalty to the board before July 16 of that year. The board shall deposit any penalty payments received under this subsection in the enterprise zone fund.

(e) This subsection is in addition to any other sanction imposed by subsection (d) or any other law. If a zone business fails to comply with subsection (a) before July 16 and does not pay any penalty required under subsection (d) by letter postmarked before July 16 of that year, the zone business is:

(1) denied all the tax credit and exemption incentives available to a zone business because the business was a zone business for that year; and

(2) disqualified from further participation in the enterprise zone program under this chapter until the zone business:

(A) petitions the board for readmission to the enterprise zone program under this chapter; and

(B) pays a civil penalty of one hundred dollars (\$100).

Sec. 8. (a) This section applies to records and other information,

**C
O
P
Y**

including records and information that are otherwise confidential,
maintained by the following:

- (1) The board.
- (2) A U.E.A.
- (3) The department of state revenue.
- (4) The corporation.
- (5) The department of local government finance.
- (6) A county auditor.
- (7) A township assessor.

(b) A person or an entity listed in subsection (a) may request a second person or entity described in subsection (a) to provide any records or other information maintained by the second person or entity that concern an individual or a business that is receiving a tax deduction, exemption, or credit related to an enterprise zone. Notwithstanding any other law, the person or entity to whom the request is made under this section must comply with the request. A person or entity receiving records or information under this section that are confidential must also keep the records or information confidential.

(c) A person or an entity that receives confidential records or information under this section and knowingly or intentionally discloses the records or information to an unauthorized person commits a Class A misdemeanor.

Sec. 9. (a) The board may designate up to ten (10) enterprise zones, in addition to any enterprise zones the federal government may designate in Indiana. The board may by seven (7) affirmative votes increase the number of enterprise zones above ten (10), but it may not add more than two (2) new zones each year (excluding any zone that may be added by the board in a municipality in which a previously designated zone has expired) and may not add any new zones after December 31, 2015. There may not be more than one (1) enterprise zone in any municipality.

(b) After approval by resolution of the legislative body, the executive of any municipality that is not an included town under IC 36-3-1-7 may submit one (1) application to the board to have one (1) part of the municipality designated as an enterprise zone. If an application is denied, the executive may submit a new application. The board shall provide application procedures.

(c) The board shall evaluate an enterprise zone application if it finds that the following threshold criteria exist in a proposed zone:

- (1) A poverty level in which twenty-five percent (25%) of the households in the zone are below the poverty level as

C
o
p
y

established by the most recent United States census or an average rate of unemployment for the most recent eighteen (18) month period for which data is available that is at least one and one-half (1 1/2) times the average statewide rate of unemployment for the same eighteen (18) month period.

(2) A population of more than two thousand (2,000) but less than ten thousand five hundred (10,500).

(3) An area of more than three-fourths (3/4) of a square mile but less than four (4) square miles, with a continuous boundary (using natural, street, or highway barriers when possible) entirely within the applicant municipality. However, if the zone includes a parcel of property that:

(A) is owned by the municipality; and

(B) has an area of at least twenty-five (25) acres;

the area of the zone may be increased above the four (4) square mile limitation by an amount not to exceed the area of the municipally owned parcel.

(4) Property suitable for the development of a mix of commercial, industrial, and residential activities.

(5) The appointment of a U.E.A. that meets the requirements of section 13 of this chapter.

(6) A statement by the applicant indicating its willingness to provide certain specified economic development incentives.

(d) If an applicant has met the threshold criteria of subsection (c), the board shall evaluate the application, arrive at a decision based on the following factors, and either designate a zone or reject the application:

(1) Level of poverty, unemployment, and general distress of the area in comparison with other applicant and nonapplicant municipalities and the expression of need for an enterprise zone over and above the threshold criteria of subsection (c).

(2) Evidence of support for designation by residents, businesses, and private organizations in the proposed zone, and the demonstration of a willingness among those zone constituents to participate in zone area revitalization.

(3) Efforts by the applicant municipality to reduce the impediments to development in the zone area where necessary, including but not limited to the following:

(A) A procedure for streamlining local government regulations and permit procedures.

(B) Crime prevention activities involving zone residents.

(C) A plan for infrastructure improvements capable of

C
O
P
Y

supporting increased development activity.

(4) Significant efforts to encourage the reuse of existing zone structures in new development activities to preserve the existing character of the neighborhood, where appropriate.

(5) The proposed managerial structure of the zone and the capacity of the U.E.A. to carry out the goals and purposes of this chapter.

Sec. 10. (a) An enterprise zone expires ten (10) years after the day on which it is designated by the board. The two (2) year period immediately before the day on which the enterprise zone expires is the phaseout period. During the phaseout period, the board may review the success of the enterprise zone based on the following criteria and may, with the consent of the budget committee, renew the enterprise zone, including all provisions of this chapter, for five (5) years:

(1) Increases in capital investment in the zone.

(2) Retention of jobs and creation of jobs in the zone.

(3) Increases in employment opportunities for residents of the zone.

(b) If an enterprise zone is renewed under subsection (a), the two (2) year period immediately before the day on which the enterprise zone expires is another phaseout period. During the phase-out period, the board may review the success of the enterprise zone based on the criteria set forth in subsection (a) and, with the consent of the budget committee, may again renew the enterprise zone, including all provisions of this chapter, for a final period of five (5) years. The zone may not be renewed after the expiration of this final five (5) year period.

Sec. 11. (a) Notwithstanding any other provision of this chapter, one (1) or more units (as defined in IC 36-1-2-23) may declare all or any part of a military base or another military installation that is inactive, closed, or scheduled for closure as an enterprise zone. The declaration shall be made by a resolution of the legislative body of the unit that contains the geographic area being declared an enterprise zone. The legislative body must include in the resolution that a U.E.A. is created or designate another entity to function as the U.E.A. under this chapter. The resolution must also be approved by the executive of the unit.

(b) If the resolution is approved, the executive shall file the resolution and the executive's approval with the board. If an entity other than a U.E.A. is designated to function as a U.E.A., the entity's acceptance must be filed with the board along with the

C
o
p
y

1 resolution. The enterprise zone designation is effective on the first
 2 day of the month following the day the resolution is filed with the
 3 board.

4 (c) Establishment of an enterprise zone under this section is not
 5 subject to the limit of two (2) new enterprise zones each year under
 6 section 9(a) of this chapter.

7 Sec. 12. The board may not approve the enlargement of an
 8 enterprise zone's geographic boundaries unless the area to be
 9 enlarged meets the criteria of economic distress set forth in section
 10 9(c)(1) of this chapter.

11 Sec. 13. (a) There is established in each applicant for designation
 12 as an enterprise zone and in each enterprise zone an urban
 13 enterprise association (U.E.A.). The twelve (12) members of the
 14 U.E.A. shall be chosen as follows:

15 (1) The governor shall appoint the following:

16 (A) One (1) state legislator whose district includes all or
 17 part of the enterprise zone.

18 (B) One (1) representative of the corporation, who is not a
 19 voting member of the U.E.A.

20 (2) The executive of the municipality in which the zone is
 21 located shall appoint the following:

22 (A) One (1) representative of the plan commission having
 23 jurisdiction over the zone, if any exists.

24 (B) One (1) representative of the municipality's
 25 department that performs planning or economic
 26 development functions.

27 (C) Two (2) representatives of businesses located in the
 28 zone, one (1) of whom shall be from a manufacturing
 29 concern, if any exists in the zone.

30 (D) One (1) resident of the zone.

31 (E) One (1) representative of organized labor from the
 32 building trades that represent construction workers.

33 (3) The legislative body of the municipality in which the zone
 34 is located shall appoint, by majority vote, the following:

35 (A) One (1) member of the municipality's legislative body
 36 whose district includes all or part of the zone.

37 (B) One (1) representative of a business located in the zone.

38 (C) Two (2) residents of the zone, who must not be
 39 members of the same political party.

40 (b) Members of the U.E.A. serve four (4) year terms. The
 41 appointing authority shall fill any vacancy for the balance of the
 42 vacated term.

C
o
p
y

1 (c) Members may be dismissed only by the appointing authority
2 and only for just cause.

3 (d) The members shall elect a chairperson, a vice chairperson,
4 and a secretary by majority vote. This election shall be held every
5 two (2) years in the same month as the first meeting or whenever
6 a vacancy occurs. The U.E.A. shall meet at least once every three
7 (3) months. The secretary shall notify members of meetings at least
8 two (2) weeks in advance of meetings. The secretary shall provide
9 a list of members to each member and shall notify members of any
10 changes in membership.

11 (e) If an applicant for designation as an enterprise zone does not
12 receive that designation, the U.E.A. in that municipality is
13 dissolved when the application is rejected.

14 Sec. 14. (a) A U.E.A. shall do the following:

- 15 (1) Coordinate zone development activities.
- 16 (2) Serve as a catalyst for zone development.
- 17 (3) Promote the zone to outside groups and individuals.
- 18 (4) Establish a formal line of communication with residents
19 and businesses in the zone.
- 20 (5) Act as a liaison between residents, businesses, the
21 municipality, and the board for any development activity that
22 may affect the zone or zone residents.

23 (b) A U.E.A. may do the following:

- 24 (1) Initiate and coordinate any community development
25 activities that aid in the employment of zone residents,
26 improve the physical environment, or encourage the turnover
27 or retention of capital in the zone. These additional activities
28 include but are not limited to recommending to the
29 municipality the manner and purpose of expenditure of funds
30 generated under IC 36-7-14-39(g) or IC 36-7-15.1-26(g).
- 31 (2) Recommend that the board modify a zone boundary or
32 disqualify a zone business from eligibility for one (1) or more
33 benefits or incentives available to zone businesses.
- 34 (3) Incorporate as a nonprofit corporation. Such a
35 corporation may continue after the expiration of the zone in
36 accordance with the general principles established by this
37 chapter. A U.E.A. that incorporates as a nonprofit
38 corporation under this subdivision may purchase or receive
39 real property from a redevelopment commission under
40 IC 36-7-14-22.2 or IC 36-7-15.1-15.2.

41 (c) The U.E.A. may request, by majority vote, that the legislative
42 body of the municipality in which the zone is located modify or

C
O
P
Y

1 waive any municipal ordinance or regulation that is in effect in the
 2 zone. The legislative body may, by ordinance, waive or modify the
 3 operation of the ordinance or regulation, if the ordinance or
 4 regulation does not affect health (including environmental health),
 5 safety, civil rights, or employment rights.

6 (d) The U.E.A. may request, by majority vote, that the board
 7 waive or modify any state rule that is in effect in the zone. The
 8 board shall review the request and may approve, modify, or reject
 9 the request. Approval or modification by the board shall take place
 10 after review by the appropriate state agency. A modification may
 11 include but is not limited to establishing different compliance or
 12 reporting requirements, timetables, or exemptions in the zone for
 13 a business or an individual, to the extent that the modification does
 14 not adversely affect health (including environment health), safety,
 15 employment rights, or civil rights. An approval or a modification
 16 of a state rule by the board takes effect upon the approval of the
 17 governor. In no case are the provisions of IC 22-2-2 and
 18 IC 22-7-1-2 mitigated by this chapter.

19 Sec. 15. (a) Any business that substantially reduces or ceases an
 20 operation located in Indiana and outside an enterprise zone
 21 (referred to as a nonzone operation) in order to relocate in an
 22 Indiana enterprise zone is disqualified from benefits or incentives
 23 available to zone businesses. Determinations under this section
 24 shall be made by a hearing panel composed of the chairperson of
 25 the board or the chairperson's designee, the commissioner of the
 26 department of state revenue or the commissioner's designee, and
 27 the commissioner of the department of local government finance
 28 or the commissioner's designee. The panel, after an evidentiary
 29 hearing held subsequent to the relocation of the business, shall
 30 submit a recommended order to the board for its adoption. The
 31 recommended order shall be based on the following criteria and
 32 subsection (b):

The budget agency shall review each recommendation. The budget agency, after review by the budget committee, may approve, deny, or modify grants and loans recommended by the board. Money in the fund may not be used to provide a recurring source of revenue for the normal operating expenditures of any project.

(c) The treasurer of state shall invest the money in the fund not currently needed to meet the obligations of the fund in the same manner as other public funds may be invested.

(c) The board shall make final funding determinations for applications for grants or loans from the fund that will be submitted to the budget agency for review and approval. In making a determination on a proposal intended to obtain federal or private research funding, the board shall be advised by a peer review panel and shall consider the following factors in evaluating the proposal:

(a) Except as provided in subsection (b), a person is not entitled to claim the credit provided by this chapter to the extent that the person substantially reduces or ceases its operations in Indiana in order to relocate them within the industrial recovery site. A determination that a person is not entitled to the credit provided by this chapter as a result of a substantial reduction or cessation of operations applies to credits that would otherwise reduce a person's property tax liability attributable to the assessment date in the year in which the substantial reduction or cessation occurs and to credits in all subsequent years. However, in that case the industrial recovery site inventory value on each of the assessment dates following the substantial reduction or cessation of operations shall be reduced by an amount equal to:

(A) the assessed value of the inventory at the location on the current assessment date if the substantial reduction has not been completed as of that date; or

(B) the assessed value of the inventory at the location on the assessment date immediately preceding the date that the substantial reduction was completed.

The amount of the industrial recovery site inventory value as computed under this subsection may not be less than zero (0).

(b) As used in this section, "enterprise zone inventory" means inventory, as defined in IC 6-1.1-3-11, that is located within an enterprise zone created under ~~IC 4-4-6-1~~ **IC 5-28-18** on the assessment date.

(a) A person that desires to claim the credit provided by section 1 of this chapter shall file a certified application, on forms prescribed by the department of local government finance, with the auditor of the county where the property for which the credit is claimed was located on the assessment date. A person that timely files a personal property return under IC 6-1.1-3-7(a) for an assessment year must file the application between March 1 and May 15 of that year in order to obtain the credit in the following year. A person that obtains a filing extension under IC 6-1.1-3-7(b) for an assessment year must file the application between March 1 and the extended due date for that year in order to obtain the credit in the following year.

(b) A taxpayer shall include on an application filed under this section all information that the department of local government finance requires to determine eligibility for the credit provided under this chapter.

SECTION 40. IC 6-1.1-20.8-4 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. An urban enterprise association created under ~~IC 4-4-6-1-4~~ **IC 5-28-18-13** may by resolution waive failure to file a:

(1) timely; or

(2) complete;

credit application under section 2.5 of this chapter. Before adopting a waiver under this ~~subsection~~, **section**, the urban enterprise association shall conduct a public hearing on the waiver.

received by the qualified taxing unit under this chapter are not considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7. The receipt by a qualified taxing unit of any payment of delinquent tax owed by a taxpayer in bankruptcy is considered to be part of the ad valorem property tax levy actually collected by the qualified taxing unit for taxes first due and payable during a particular calendar year for the purpose of calculating the levy excess under IC 6-1.1-18.5-17 and IC 6-1.1-19-1.7.

(c) The proceeds of a loan made under this chapter must first be used to retire any outstanding loans made by the department of commerce **(including any loans made by the department of commerce that are transferred to the Indiana economic development corporation)** to cover a qualified taxing unit's revenue shortfall resulting from the taxpayer's default on property tax payments. Any remaining proceeds of a loan made under this chapter and any payment of delinquent taxes by the taxpayer may be expended by the qualified taxing unit only to pay obligations of the qualified taxing unit that have been incurred under appropriations for operating expenses made by the qualified taxing unit and approved by the department of local government finance.

(d) If the sum of the receipts of a qualified taxing unit that are attributable to:

(1) the loan proceeds; and

(2) the payment of property taxes owed by a taxpayer in a bankruptcy proceeding and payable in November 2001, May 2002, or November 2002;

exceeds the sum of the taxpayer's property tax liability attributable to the qualified taxing unit for property taxes payable in November 2001, May 2002, and November 2002, the excess as received during any calendar year or years shall be set aside and treated for the calendar year when received as a levy excess subject to IC 6-1.1-18.5-17 or IC 6-1.1-19-1.7. In calculating the payment of property taxes as referred to in subdivision (2), the amount of property tax credit finally allowed under IC 6-1.1-21-5 in respect to those taxes is considered to be a payment of those property taxes.

SECTION 42. IC 6-1.1-39-1.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1.5. As used in this chapter, "industrial development program" has the meaning set forth in ~~IC 4-4-8-1~~ IC 5-28-9-3.

(b) The ~~department~~ **Indiana economic development corporation** shall review the data and related information submitted under subsection (a) to determine preliminarily whether:

- (1) the proposed project will qualify as a qualified industrial development project;
- (2) there is a reasonable likelihood that the proposed qualified industrial development project will be initiated and accomplished; and
- (3) there is a reasonable likelihood that an application by the unit under ~~IC 4-4-8-5~~ **IC 5-28-9-12** for a loan from the industrial development fund to institute and administer the proposed industrial development program will be approved by the ~~department~~ **corporation** and the state board of finance.

(c) If the ~~department~~ **Indiana economic development corporation** preliminarily determines under subsection (b) that the proposed project does not or will not qualify as a qualified industrial development project or that there is not a reasonable likelihood that a loan from the industrial development fund will be approved under ~~IC 4-4-8-5~~, **IC 5-28-9-12**, the ~~department~~ **corporation** shall certify this determination in writing to the fiscal body adopting the ordinance. Upon this certification, the ordinance proposing to establish the economic development district is void.

(d) If the ~~department~~ **Indiana economic development corporation** preliminarily determines under subsection (b) that the proposed project qualifies or will qualify as a qualified industrial development project and that there is a reasonable likelihood that a loan from the industrial development fund will be approved under ~~IC 4-4-8-5~~, **IC 5-28-9-12**, the ~~department~~ **corporation** shall certify this determination to the fiscal body adopting the ordinance proposing to establish the economic development district. Upon receipt of this certification, the fiscal body

5 ~~department~~ **Indiana economic development corporation** and state
6 board of finance as to whether the unit will obtain a loan from the
7 industrial development fund in accordance with ~~IC 4-4-8~~ **IC 5-28-9**.

15 ~~department of commerce~~ **Indiana economic development**
16 **corporation** under section 2.5 of this chapter that the proposed
17 industrial development project qualifies as a qualified industrial
18 development project and that there is a reasonable likelihood that
19 a loan from the industrial development fund will be approved
20 under ~~IC 4-4-8-5~~ **IC 5-28-9-12**.

21 The notice must state the general boundaries of the area designated as
22 an economic development district and must state that written
23 remonstrances may be filed with the fiscal body until the time
24 designated for the hearing. The notice must also name the place, date,
25 and time when the fiscal body will receive and hear remonstrances and
26 objections from persons interested in or affected by the proceedings
27 pertaining to the proposed economic development district designation
28 and will determine the public utility and benefit of the proposed
29 economic development district designation. All persons affected in any
30 manner by the hearing, including all taxpayers of the economic
31 development district, shall be considered notified of the pendency of
32 the hearing and of subsequent acts, hearings, adjournments, and orders
33 of the fiscal body affecting the economic development district if the

1 objections that have been filed. After considering the evidence
 2 presented, the fiscal body shall take final action determining the public
 3 utility and benefit of the proposed economic development district
 4 designation and confirming, modifying and confirming, or rescinding
 5 the ordinance. The final action taken by the fiscal body shall be
 6 recorded and is final and conclusive, except that an appeal may be
 7 taken in the manner prescribed by section 4 of this chapter.

8 SECTION 45. IC 6-1.1-39-5 IS AMENDED TO READ AS
 9 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. (a) A declaratory
 10 ordinance adopted under section 2 of this chapter and confirmed under
 11 section 3 of this chapter must include a provision with respect to the
 12 allocation and distribution of property taxes for the purposes and in the
 13 manner provided in this section. The allocation provision must apply
 14 to the entire economic development district. The allocation provisions
 15 must require that any property taxes subsequently levied by or for the
 16 benefit of any public body entitled to a distribution of property taxes on
 17 taxable property in the economic development district be allocated and
 18 distributed as follows:

19 (1) Except as otherwise provided in this section, the proceeds of
 20 the taxes attributable to the lesser of:

21 (A) the assessed value of the property for the assessment date
 22 with respect to which the allocation and distribution is made;
 23 or

24 (B) the base assessed value;

25 shall be allocated to and, when collected, paid into the funds of
 26 the respective taxing units. However, if the effective date of the
 27 allocation provision of a declaratory ordinance is after March 1,
 28 1985, and before January 1, 1986, and if an improvement to
 29 property was partially completed on March 1, 1985, the unit may
 30 provide in the declaratory ordinance that the taxes attributable to
 31 the assessed value of the property as finally determined for March
 32 1, 1984, shall be allocated to and, when collected, paid into the
 33 funds of the respective taxing units.

34 (2) Except as otherwise provided in this section, part or all of the
 35 property tax proceeds in excess of those described in subdivision
 36 (1), as specified in the declaratory ordinance, shall be allocated to
 37 the unit for the economic development district and, when
 38 collected, paid into a special fund established by the unit for that
 39 economic development district that may be used only to pay the
 40 principal of and interest on obligations owed by the unit under
 41 IC 4-4-8 (**before its repeal**) or IC 5-28-9 for the financing of
 42 industrial development programs in, or serving, that economic

development district. The amount not paid into the special fund shall be paid to the respective units in the manner prescribed by subdivision (1).

(3) When the money in the fund is sufficient to pay all outstanding principal of and interest (to the earliest date on which the obligations can be redeemed) on obligations owed by the unit under IC 4-4-8 (**before its repeal**) or **IC 5-28-9** for the financing of industrial development programs in, or serving, that economic development district, money in the special fund in excess of that amount shall be paid to the respective taxing units in the manner prescribed by subdivision (1).

(b) Property tax proceeds allocable to the economic development district under subsection (a)(2) must, subject to subsection (a)(3), be irrevocably pledged by the unit for payment as set forth in subsection (a)(2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the economic development district that is annexed by any taxing unit after the effective date of the allocation provision of the declaratory ordinance is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Notwithstanding any other law, each assessor shall, upon petition of the fiscal body, reassess the taxable property situated upon or in, or added to, the economic development district effective on the next assessment date after the petition.

(e) Notwithstanding any other law, the assessed value of all taxable property in the economic development district, for purposes of tax limitation, property tax replacement (except as provided in IC 6-1.1-21-3(c), IC 6-1.1-21-4(a)(3), and IC 6-1.1-21-5(c)), and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(f) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the

C
o
p

property tax proceeds allocated to the district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1.

(g) As used in this section, "property taxes" means:

- (1) taxes imposed under this article on real property; and
- (2) any part of the taxes imposed under this article on depreciable personal property that the unit has by ordinance allocated to the economic development district. However, the ordinance may not limit the allocation to taxes on depreciable personal property with any particular useful life or lives.

If a unit had, by ordinance adopted before May 8, 1987, allocated to an economic development district property taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the ordinance continues in effect until an ordinance is adopted by the unit under subdivision (2).

(h) As used in this section, "base assessed value" means:

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (f); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Subdivision (2) applies only to economic development districts established after June 30, 1997, and to additional areas established after June 30, 1997.

SECTION 46. IC 6-1.1-39-8 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 8. If no loans have been made to a unit under IC 4-4-8 (**before its repeal**) or IC 5-28-9 for the financing of industrial development programs in an economic development district within two (2) years from the date of the ordinance confirming the establishment of that district, or if money in the special fund established by the unit for that district is sufficient to pay all principal of and interest on and the performance of all other obligations by a unit on all loans made under IC 4-4-8 (**before its repeal**) or IC 5-28-9 for the financing of industrial development programs in, or serving, an economic development district, then the economic development district designation expires.

body of a unit may by ordinance authorize the issuance of obligations to the department of commerce under IC 4-4-8 **(before its repeal) or to the Indiana economic development corporation under IC 5-28-9** payable solely from taxes allocated under section 5 of this chapter. Any obligations issued and payable from taxes allocated under section 5 of this chapter are not general obligations of the unit that established the economic development district under this chapter.

(b) The economic development district created by a unit under this chapter is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the economic development district by providing local public improvements that are of public use and benefit.

(c) The ordinance of a unit authorizing the issuance of obligations must contain a finding of the fiscal body that the proposed industrial development program:

- (1) constitutes a local public improvement;
- (2) provides special benefits to property owners in the district; and
- (3) will be of public use and benefit.

(d) Proceeds of obligations issued under this section, ~~and IC 4-4-8 (before its repeal), and IC 5-28-9~~ may be used to pay for the following:

- (1) The cost of local public improvements.
- (2) Interest on the obligations for the period of construction of the local public improvements plus one (1) year after completion of construction.
- (3) Reasonable debt service reserves.
- (4) Costs of issuance of the obligations.
- (5) Any other reasonable and necessary expenses related to issuance of the obligations.

(e) Notwithstanding any other law, IC 6-1.1-20 does not apply to obligations payable solely from tax proceeds allocated under section 5 of this chapter.

SECTION 48. IC 6-1.1-43-1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. This chapter applies to the following economic development incentive programs:

(1) In the case of a taxpayer other than a pass through entity, wages paid or payable by a taxpayer to its employees during the year that ends on the last day of the month that immediately precedes the month in which an enterprise zone is established, to the extent that the wages would have been qualified wages if the enterprise zone had been in effect for that year. If the taxpayer did not engage in an active trade or business during that year in the area that is later designated as an enterprise zone, then the base period wages equal zero (0). If the taxpayer engaged in an active trade or business during only part of that year in an area that is later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(2) In the case of a taxpayer that is a pass through entity, base period wages equal zero (0).

"Enterprise zone" means an enterprise zone created under ~~IC 4-4-6-1~~ **IC 5-28-18**.

"Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

"Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

"Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

- (1) has ~~his~~ **the individual's** principal place of residence in the enterprise zone in which ~~he~~ **the individual** is employed;
- (2) performs services for the taxpayer, ninety percent (90%) of which are directly related to the conduct of the taxpayer's trade or business that is located in an enterprise zone;
- (3) performs at least fifty percent (50%) of ~~his~~ **the individual's** services for the taxpayer during the taxable year in the enterprise zone; and

"Qualified state tax liability" means a taxpayer's total income tax liability incurred under:

- (1) IC 6-3-1 through IC 6-3-7 (adjusted gross income tax) with respect to enterprise zone adjusted gross income;
- (2) IC 27-1-18-2 (insurance premiums tax) with respect to enterprise zone insurance premiums; and

5 the taxable year.

6 (c) The amount of the credit provided by this section that a taxpayer
7 uses during a particular taxable year may not exceed the taxpayer's
8 qualified state tax liability for the taxable year. If the credit provided by
9 this section exceeds the amount of that tax liability for the taxable year
10 it is first claimed, then the excess may be carried back to preceding
11 taxable years or carried over to succeeding taxable years and used as
12 a credit against the taxpayer's qualified state tax liability for those
13 taxable years. Each time that the credit is carried back to a preceding
14 taxable year or carried over to a succeeding taxable year, the amount
15 of the carryover is reduced by the amount used as a credit for that
16 taxable year. Except as provided in subsection (e), the credit provided
17 by this section may be carried forward and applied in the ten (10)
18 taxable years that succeed the taxable year in which the credit accrues.
19 The credit provided by this section may be carried back and applied in
20 the three (3) taxable years that precede the taxable year in which the
21 credit accrues.

22 (d) A credit earned by a taxpayer in a particular taxable year shall
23 be applied against the taxpayer's qualified state tax liability for that
24 taxable year before any credit carryover or carryback is applied against
25 that liability under subsection (c).

26 (e) Notwithstanding subsection (c), if a credit under this section
27 results from wages paid in a particular enterprise zone, and if that
28 enterprise zone terminates in a taxable year that succeeds the last
29 taxable year in which a taxpayer is entitled to use the credit carryover
30 that results from those wages under subsection (c), then the taxpayer
31 may use the credit carryover for any taxable year up to and including
32 the taxable year in which the enterprise zone terminates.

33 (f) A taxpayer is not entitled to a refund of any unused credit.

34 (g) A taxpayer that:

35 (1) does not own, rent, or lease real property outside of an
36 enterprise zone that is an integral part of its trade or business; and

under this section within the enterprise zone, except as provided in
subdivisions (2) and (3).

(b) The amount of the credit to which a taxpayer is entitled under
this section is five percent (5%) multiplied by the amount of interest
received by the taxpayer during the taxable year from qualified loans.

(c) If a pass through entity is entitled to a credit under subsection (a)
but does not have state tax liability against which the tax credit may be
applied, an individual who is a shareholder, partner, beneficiary, or

- (1) the tax credit determined for the pass through entity for the
taxable year; multiplied by
- (2) the percentage of the pass through entity's distributive income
to which the shareholder, partner, beneficiary, or member is

However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A declaratory resolution adopted under section 15 of this chapter before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of

C

property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into an allocation fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds which are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 27 of this chapter.

(D) Pay the principal of and interest on bonds issued by the unit to pay for local public improvements in or serving that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 25.2 of this chapter.

(G) Reimburse the unit for expenditures made by it for local public improvements (which include buildings, parking facilities, and other items described in section 25.1(a) of this chapter) in or serving that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in or serving that allocation area under any lease entered into under IC 36-1-10.

**C

(I) Pay all or a ~~portion~~ **part** of a property tax replacement credit to taxpayers in an allocation area as determined by the redevelopment commission. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

~~(A)~~ (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

~~(B)~~ (ii) the STEP ONE sum.

STEP THREE: Multiply:

~~(A)~~ (i) the STEP TWO quotient; times

~~(B)~~ (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 39.5 of this chapter in the same year.

(J) Pay expenses incurred by the redevelopment commission for local public improvements that are in the allocation area or serving the allocation area. Public improvements include buildings, parking facilities, and other items described in section 25.1(a) of this chapter.

(K) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the

1 industrial facilities described in this clause. The
 2 reimbursements under this clause must be made within three
 3 (3) years after the date on which the investments that are the
 4 basis for the increment financing are made.

5 The allocation fund may not be used for operating expenses of the
 6 commission.

7 (3) Except as provided in subsection (g), before July 15 of each
 8 year the commission shall do the following:

9 (A) Determine the amount, if any, by which the base assessed
 10 value when multiplied by the estimated tax rate of the
 11 allocation area will exceed the amount of assessed value
 12 needed to produce the property taxes necessary to make, when
 13 due, principal and interest payments on bonds described in
 14 subdivision (2) plus the amount necessary for other purposes
 15 described in subdivision (2).

16 (B) Notify the county auditor of the amount, if any, of the
 17 amount of excess assessed value that the commission has
 18 determined may be allocated to the respective taxing units in
 19 the manner prescribed in subdivision (1). The commission
 20 may not authorize an allocation of assessed value to the
 21 respective taxing units under this subdivision if to do so would
 22 endanger the interests of the holders of bonds described in
 23 subdivision (2) or lessors under section 25.3 of this chapter.

24 (c) For the purpose of allocating taxes levied by or for any taxing
 25 unit or units, the assessed value of taxable property in a territory in the
 26 allocation area that is annexed by any taxing unit after the effective
 27 date of the allocation provision of the declaratory resolution is the
 28 lesser of:

29 (1) the assessed value of the property for the assessment date with
 30 respect to which the allocation and distribution is made; or

31 (2) the base assessed value.

32 (d) Property tax proceeds allocable to the redevelopment district
 33 under subsection (b)(2) may, subject to subsection (b)(3), be
 34 irrevocably pledged by the redevelopment district for payment as set
 35 forth in subsection (b)(2).

36 (e) Notwithstanding any other law, each assessor shall, upon
 37 petition of the redevelopment commission, reassess the taxable
 38 property situated upon or in, or added to, the allocation area, effective
 39 on the next assessment date after the petition.

40 (f) Notwithstanding any other law, the assessed value of all taxable
 41 property in the allocation area, for purposes of tax limitation, property
 42 tax replacement, and formulation of the budget, tax rate, and tax levy

for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under ~~IC 4-4-6.1~~, **IC 5-28-18**, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the ~~portion~~ **part** of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that ~~portion~~ **part** of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the

**C
o

property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 117. IC 36-7-14-44.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 44.2. On a quadrennial basis, the general assembly shall provide for an evaluation of the provisions of this chapter, giving first priority to using the Indiana economic development ~~council~~ **corporation** established under ~~IC 4-3-14-4~~ **IC 5-28-3**. The evaluation shall be a fiscal analysis, including an assessment of the effectiveness of the provisions of this chapter to:

- (1) create new jobs;
- (2) increase income; and
- (3) increase the tax base;

in the jurisdiction of the unit. The fiscal analysis may also consider impacts on tax burdens borne by property owners. The fiscal analysis may also include a review of the practices and experiences of other states or political subdivisions with laws similar to the provisions of this chapter. The ~~president of the~~ Indiana economic development ~~council~~ **corporation** established under ~~IC 4-3-14-4~~ **IC 5-28-3** or another person or entity designated by the general assembly shall submit a report on the evaluation to the governor, the president pro tempore of the senate, and the speaker of the house of representatives before December 1, 1999, and every fourth year thereafter. **The report submitted to the president pro tempore of the senate and the speaker of the house of representatives must be in an electronic format under IC 5-14-6.**

SECTION 118. IC 36-7-15.1-15.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 15.2. (a) The commission may sell or grant, at no cost, title to real property to an urban enterprise association for the purpose of developing the real property if the following requirements are met:

- (1) The urban enterprise association has incorporated as a ~~not-for-profit~~ **nonprofit** corporation under ~~IC 4-4-6.1-5(b)(3)~~ **IC 5-28-18-14(b)(3)**.
- (2) The parcel of property to be sold or granted is located entirely

C
o
p
y

1 within the enterprise zone for which the urban enterprise
2 association was created under ~~IC 4-4-6.1-4~~ **IC 5-28-18-13**.

3 (3) The urban enterprise association agrees to cause development
4 on the parcel of property within a specified period that may not
5 exceed five (5) years from the date of the sale or grant.

6 (4) The urban enterprise association agrees to rehabilitate or
7 otherwise develop the property in a manner that is similar to and
8 consistent with the use of the other properties in the enterprise
9 zone.

10 (b) To carry out the purposes of this section, the commission may
11 secure from the county under IC 6-1.1-25-9(e) parcels of property
12 acquired by the county under IC 6-1.1-24 and IC 6-1.1-25.

13 (c) Before offering any parcel of property for sale or grant, the fair
14 market value of the parcel of property must be determined by an
15 appraiser, who may be an employee of the department. However, if the
16 commission has obtained the parcel in the manner described in
17 subsection (b), an appraisal is not required. An appraisal under this
18 subsection is solely for the information of the commission and is not
19 available for public inspection.

20 (d) The commission must decide at a public meeting whether the
21 commission will sell or grant the parcel of real property. In making this
22 decision, the commission shall give substantial weight to the extent to
23 which and the terms under which the urban enterprise association will
24 cause development on the property.

25 (e) Before conducting a meeting under subsection (d), the
26 commission shall publish a notice in accordance with IC 5-3-1
27 indicating that at a designated time the commission will consider
28 selling or granting the parcel of real property under this section. The
29 notice must state the general location of the property, including the
30 street address, if any, or a common description of the property other
31 than the legal description.

32 (f) If the county agrees to transfer a parcel of real property to the
33 commission to be sold or granted under this section, the commission
34 may conduct a meeting to sell or grant the parcel to an urban enterprise
35 zone even though the parcel has not yet been transferred to the
36 commission. After the hearing, the commission may adopt a resolution
37 directing the department to take appropriate steps necessary to acquire
38 the parcel from the county and to transfer the parcel to the urban
39 enterprise association.

40 (g) A conveyance of property to an urban enterprise association
41 under this section shall be made in accordance with section 15(i) of this
42 chapter.

C
O
P
Y

(h) An urban enterprise association that purchases or receives real property under this section shall report the terms of the conveyance to the ~~enterprise zone board created under IC 4-4-6.1-1~~ **of the Indiana economic development corporation** not later than thirty (30) days after the date the conveyance of the property is made.

SECTION 119. IC 36-7-15.1-26 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 26. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a resolution adopted under section 8 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means the following:

(1) If an allocation provision is adopted after June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing an economic development area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(2) If an allocation provision is adopted after June 30, 1997, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

(3) If:

(A) an allocation provision adopted before June 30, 1995, in a declaratory resolution or an amendment to a declaratory resolution establishing a blighted area expires after June 30, 1997; and

C
o
p
y

(B) after June 30, 1997, a new allocation provision is included in an amendment to the declaratory resolution; the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision adopted after June 30, 1997, as adjusted under subsection (h).

(4) Except as provided in subdivision (5), for all other allocation areas, the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h).

(5) If an allocation area established in an economic development area before July 1, 1995, is expanded after June 30, 1995, the definition in subdivision (1) applies to the expanded ~~portion~~ **part** of the area added after June 30, 1995.

(6) If an allocation area established in a blighted area before July 1, 1997, is expanded after June 30, 1997, the definition in subdivision (2) applies to the expanded ~~portion~~ **part** of the area added after June 30, 1997.

Except as provided in section 26.2 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted before June 1, 1987, "property taxes" also includes taxes imposed under IC 6-1.1 on depreciable personal property. If a redevelopment commission adopted before June 1, 1987, a resolution to include within the definition of property taxes taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the commission may by resolution determine the percentage of taxes imposed under IC 6-1.1 on all depreciable personal property that will be included within the definition of property taxes. However, the percentage included must not exceed twenty-five percent (25%) of the taxes imposed under IC 6-1.1 on all depreciable personal property.

(b) A resolution adopted under section 8 of this chapter before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is

established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(B) the base assessed value; shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 19 of this chapter.

(D) Pay the principal of and interest on bonds issued by the consolidated city to pay for local public improvements in that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax proceeds in that allocation area under section 17.1 of this

C

chapter.

(G) Reimburse the consolidated city for expenditures for local public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) in that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the base assessed value when multiplied by the estimated tax rate of the allocated area will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Notify the county auditor of the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective

**C
o
p
y**

date of the allocation provision of the resolution is the lesser of:

- (1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the property as valued without regard to this section; or
- (2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under ~~IC 4-4-6-1~~, **IC 5-28-18**, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

- (1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in

**C
O
P

the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that ~~portion~~ **part** of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 120. IC 36-7-15.1-36.2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 36.2. On a quadrennial basis, the general assembly shall provide for an evaluation of the provisions of this chapter, giving first priority to using the Indiana economic development ~~council~~ **corporation** established under ~~IC 4-3-14-4~~ **IC 5-28-3**. The evaluation must be a fiscal analysis, including an assessment of the effectiveness of the provisions of this chapter to:

(1) create new jobs;

(2) increase income; and

(3) increase the tax base;

in the jurisdiction of the county. The fiscal analysis may also consider impacts on tax burdens borne by property owners. The fiscal analysis may also include a review of the practices and experiences of other states or political subdivisions with laws similar to the provisions of this chapter. The ~~president of the~~ Indiana economic development ~~council corporation~~ established under ~~IC 4-3-14-4~~ **IC 5-28-3** or another person or entity designated by the general assembly shall submit a report on the evaluation to the governor, the president pro tempore of the senate, and the speaker of the house of representatives before December 1, ~~1999~~, **2007**, and every fourth year thereafter.

SECTION 121. IC 36-7-15.1-53 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 53. (a) As used in this section:

"Allocation area" means that part of a blighted area to which an allocation provision of a resolution adopted under section 40 of this chapter refers for purposes of distribution and allocation of property taxes.

"Base assessed value" means:

(1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Except as provided in section 55 of this chapter, "property taxes" means taxes imposed under IC 6-1.1 on real property.

(b) A resolution adopted under section 40 of this chapter before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A resolution previously adopted may include an allocation provision by the amendment of that resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision must be approved by resolution of the legislative body of the excluded city and must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are

C

1 payable only from allocated tax proceeds with respect to the allocation
 2 area remain outstanding as of the expiration date, the allocation
 3 provision does not expire until all of the bonds or other obligations are
 4 no longer outstanding. The allocation provision may apply to all or part
 5 of the blighted area. The allocation provision must require that any
 6 property taxes subsequently levied by or for the benefit of any public
 7 body entitled to a distribution of property taxes on taxable property in
 8 the allocation area be allocated and distributed as follows:

9 (1) Except as otherwise provided in this section, the proceeds of

 13 or

14 (B) the base assessed value;

15 shall be allocated to and, when collected, paid into the funds of
 16 the respective taxing units.

17 (2) Except as otherwise provided in this section, property tax
 18 proceeds in excess of those described in subdivision (1) shall be
 19 allocated to the redevelopment district and, when collected, paid

 22 following:

23 (A) Pay the principal of and interest on any obligations

 25 the redevelopment district for the purpose of financing or
 26 refinancing the redevelopment of that allocation area.

27 (B) Establish, augment, or restore the debt service reserve for
 28 bonds payable solely or in part from allocated tax proceeds in

public improvements (which include buildings, park facilities, and other items set forth in section 45 of this chapter) in that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility in that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which property taxes payable to the allocation fund in the following year will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Notify the county auditor of the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

respect to which the allocation and distribution is made; or

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under ~~IC 4-4-6.1~~, **IC 5-28-18**, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the

enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers, for purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 122. IC 36-7-30-25 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 25. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base reuse area to which an allocation provision of a declaratory resolution adopted under section 10 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means:

(A) the net assessed value of all the property as finally determined for the assessment date immediately preceding the adoption date of the allocation provision of the declaratory resolution, as adjusted under subsection (h); plus

(B) to the extent that it is not included in clause (A) or (C), the net assessed value of any and all parcels or classes of parcels

C
o
p

1 identified as part of the base assessed value in the declaratory
 2 resolution or an amendment thereto, as finally determined for
 3 any subsequent assessment date; plus

4 (C) to the extent that it is not included in clause (A) or (B), the
 5 net assessed value of property that is assessed as residential
 6 property under the rules of the department of local government
 7 finance, as finally determined for any assessment date after the
 8 effective date of the allocation provision.

9 Clause (C) applies only to allocation areas established in a
 10 military reuse area after June 30, 1997, and to the ~~portion~~ part of
 11 an allocation area that was established before June 30, 1997, and
 12 that is added to an existing allocation area after June 30, 1997.

13 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
 14 property.

15 (b) A declaratory resolution adopted under section 10 of this chapter
 16 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
 17 resolutions adopted under IC 36-7-14-15 may include a provision with
 18 respect to the allocation and distribution of property taxes for the
 19 purposes and in the manner provided in this section. A declaratory
 20 resolution previously adopted may include an allocation provision by
 21 the amendment of that declaratory resolution in accordance with the
 22 procedures set forth in section 13 of this chapter. The allocation
 23 provision may apply to all or part of the military base reuse area. The
 24 allocation provision must require that any property taxes subsequently
 25 levied by or for the benefit of any public body entitled to a distribution
 26 of property taxes on taxable property in the allocation area be allocated
 27 and distributed as follows:

28 (1) Except as otherwise provided in this section, the proceeds of
 29 the taxes attributable to the lesser of:

30 (A) the assessed value of the property for the assessment date
 31 with respect to which the allocation and distribution is made;
 32 or

33 (B) the base assessed value;

34 shall be allocated to and, when collected, paid into the funds of
 35 the respective taxing units.

36 (2) Except as otherwise provided in this section, property tax
 37 proceeds in excess of those described in subdivision (1) shall be
 38 allocated to the military base reuse district and, when collected,
 39 paid into an allocation fund for that allocation area that may be
 40 used by the military base reuse district and only to do one (1) or
 41 more of the following:

42 (A) Pay the principal of and interest and redemption premium

on any obligations incurred by the military base reuse district or any other entity for the purpose of financing or refinancing military base reuse activities in or directly serving or benefiting that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the reuse authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefiting that allocation area.

(E) Pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the reuse authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 27 of this chapter in the same year.

(F) Pay expenses incurred by the reuse authority for local public improvements or structures that were in the allocation

1 area or directly serving or benefiting the allocation area.

2 (G) Reimburse public and private entities for expenses
3 incurred in training employees of industrial facilities that are
4 located:

5 (i) in the allocation area; and

6 (ii) on a parcel of real property that has been classified as
7 industrial property under the rules of the department of local
8 government finance.

9 However, the total amount of money spent for this purpose in
10 any year may not exceed the total amount of money in the
11 allocation fund that is attributable to property taxes paid by the
12 industrial facilities described in this clause. The
13 reimbursements under this clause must be made not more than
14 three (3) years after the date on which the investments that are
15 the basis for the increment financing are made.

16 The allocation fund may not be used for operating expenses of the
17 reuse authority.

18 (3) Except as provided in subsection (g), before July 15 of each
19 year the reuse authority shall do the following:

20 (A) Determine the amount, if any, by which property taxes
21 payable to the allocation fund in the following year will exceed
22 the amount of property taxes necessary to make, when due,
23 principal and interest payments on bonds described in
24 subdivision (2) plus the amount necessary for other purposes
25 described in subdivision (2).

26 (B) Notify the county auditor of the amount, if any, of the
27 amount of excess property taxes that the reuse authority has
28 determined may be paid to the respective taxing units in the
29 manner prescribed in subdivision (1). The reuse authority may
30 not authorize a payment to the respective taxing units under
31 this subdivision if to do so would endanger the interest of the
32 holders of bonds described in subdivision (2) or lessors under
33 section 19 of this chapter. Property taxes received by a taxing
34 unit under this subdivision are eligible for the property tax
35 replacement credit provided under IC 6-1.1-21.

36 (c) For the purpose of allocating taxes levied by or for any taxing
37 unit or units, the assessed value of taxable property in a territory in the
38 allocation area that is annexed by a taxing unit after the effective date
39 of the allocation provision of the declaratory resolution is the lesser of:

40 (1) the assessed value of the property for the assessment date with
41 respect to which the allocation and distribution is made; or

42 (2) the base assessed value.

(d) Property tax proceeds allocable to the military base reuse district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the military base reuse district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the reuse authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and the making of the budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under ~~IC 4-4-6.1~~, **IC 5-28-18**, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata part of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection

C

(b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that ~~portion~~ **part** of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.
